## Prospective Member Information Sheet

If, after reading this Information Sheet, you wish to apply for membership **please complete the attached Application for Probationary Membership form** and hand or send it to the CAG office

The CAG Membership Fee provides for the day to day running cost, electricity, rent and general administration of CAG and provision of services to members.

**CAG Membership** entitles you to discounted instructional classes, use of all equipment (some conditions and fees apply), after- hours access for full members (by contacting one of the designated keyholders), and the chance to enter your art/ craft work in Member's Exhibitions and display and sell work in the Shop/ Gallery as well as at various Sales of Work in Shopping Centres etc. held during the year..

Members receive regular newsletters, so that they are kept up to date with what is happening at the Centre. (Members can specify whether they wish to receive this by email or post.)

To become a member you can either be proposed by an existing member or provide two referees.

Note. Membership fee is non refundable, unless the Candidate's membership application is not accepted by Committee.

**Probationary membership** is for the period of three months. This still enables you to participate in classes at members' rates and enter your art/ craft work in Member's Exhibitions and /or place items for sale in the shop, as well as participating in any Sales of Work held during this time

You can also use the Centre's equipment - *but only during the Centre's office hours.*

(However an in-service is required before you have use of some of the equipment and some fees apply so please check with the Coordinator for full information.)

### **Sale of Work and Community Displays.**

The group has Sales of Work and Community Displays at various venues including Shopping Centres and the Canning Art Centre. Members placing work in these sales are required to do a minimum of 1 roster per sale. Members are able to place items for sale in the Gift Shop and /or Gallery. Such items must have a GAG Tag attached - a Brown Shop Tag or White Gallery Tag as appropriate. (These are available from the office at a small cost)

A 20% commission on sales is deducted and paid to CAG.

All members must supply CAG with **either notification of ABN, or Statement by a Supplier** to comply with Australian Taxation Office requirements.

Failure to do this will mean that an additional 48.5% will be withheld and forwarded to the Taxation Department.

When there are Sunday Openings of the Gallery and Shop, members exhibiting work are expected to make themselves available for a Supervision Roster at least once per year.

(NB Members not participating in Sales or in Exhibitions can also expect to be asked to do one roster per year when necessary – to assist in the smooth running of CAG)

Each new member is encouraged to think about becoming a Committee member to keep our committee active and vital to help ensure the club is kept going for all its members.

Any contribution in any way is welcomed.
