

Michelle Culnane

Michelle Culnane's love of art developed after she won the Year 12 Art Award. She then went on to complete a Diploma in Art and Design at Central TAFE. After completing her studies, Michelle was asked back to do some teaching at TAFE, of which she thoroughly enjoyed.

She has completed various commissioned design works and participated in exhibitions at the Crafts Council of Western Australia, Perth Galleries and other private galleries.

Michelle has been teaching at the Canning Art Centre for the last two years and she is also teaching at the Victoria Park Arts Centre.

Michelle has said, that teaching art is the most fulfilling and rewarding role she has ever done. To see the pleasure of the students and their success is the most wonderful feeling.

Michelle has taken many other drawing and craft classes to keep things fresh and interesting. She believes this is how we keep motivated and pass on new and exciting ideas to the students.
